The prisoner was paroled, the sword returned and the horse was presented by Major Abbey to Mr. McGuire, the captor. ### SHOULD SLOAN'S LINIMENT GO ALONG?

Of course it should! For after a strenuous day, when your muscles have been exercised to the limit, an application of Sloan's Liniment will take soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, aches, bites, and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.

Rev. L. L. Shaw and family and Geo. H. Wright and family went over to Gate, Friday evening, to attend services conducted by Rev. Newby at that place.

### OBITUARY.

Mrs. DEE CLARK SPOHN, wife of Judge J. A. Spohn, was born in Wayne County, Iowa, October 13, 1872, and died at Beaver Oklahoma, July 14, 1916, being at the time of her death 43 years, 9 months and 11 days.

In 1892 she with her parents moved to Warren county, Iowa. During her young womanhood she attended Simpson College at Indianola, Iowa, and graduated from the Conservatory of Music. Later she took post graduate work in the Conservatory of Music at Oberlin, Ohio.

In 1902 she moved with her parents to Coffee county, Kansas.

On the 20th day of May, 1904, she was united in marriage to J. A. Spohn. To this union was born three children, Jean, age 11; Hugh, age 9, and Alice, age 8.

In 1904 they moved to Beaver county, Oklahoma, and settled on and proved up on a claim near Gate, Oklahoma. In 1910 they moved to Beaver, and have resided here since, with the exception of two years spent on the claim.

She became a Christian in early life, and united with the M. E. Church, of which she has always been a faithful and devoted member.

She leaves to mourn her death a husband, three children, Jean, Hugh and Alice; five brothers, Dr. D. L. Clark of Denver, Colo.; Dr. V. J. Clark of Salt Lake City, Utah; W. L. Clark and C. V. Clark of Corydon, Iowa; R. E. Clark of Philadelphia, Pa.; and three sisters, Mrs. Fannie J. Watson and Mrs. Josephine Passwater of Indianola, Iowa, and Mrs. Ida Noble of Holdenville, Oklahoma, and other relatives and a host of friends.

Mrs. J. A. Spohn was a devoted wife and mother, a faithful friend, a devout Christian, and an active worker in seeking to build up her Master's Kingdom. Her friends were counted by her acquaintances, for all who knew her loved her.

Funeral services were held at the M. E. Church in Beaver Sunday afternoon July 16, conducted by the Pastor of the Church, Rev. Chas. D. Norman. Interment was made in the Beaver Cemetery.

"Farewell, dear mother, sweetly sleep in Jesus Christ, our Lord;

Thy life on earth was full of work and toil;

Thy life above is peace."

The Republican party is to be congratulated upon the announcement of Jim Couch, of Boyd, Oklahoma, as its candidate for Sheriff.

Mr. Couch lives on his farm, which he filed on ten years ago, 13 miles south and 8 miles west of Beaver. He is 33 years of age, having been born in Harper county, Kansas, in 1883, where he resided until he came to Beaver county 10 years ago. Like the majority of good citizens of the grand old Sunflower State of his birth, he is a staunch Republican, and although he has been active in politics all his life he has never been a candidate for office, and it is at the solicitation of a great number of his friends that he consented to represent his party as a standard bearer for this office.

Jim, at he is commonly known, is a man of unquestioned integrity and ability, eminently qualified for the office he seeks, both as to the clerical and executive duties that, if elected, he will be called upon to perform. He has made a success as a farmer, and promises to apply the same methods which have made his business a success, namely—Honesty, Economy and Industry—to the county's business.

A vote for Jim Couch will be a vote for a business administration in the Sheriff's office.

## Glass

GLASS will break. Perhaps some day they'll invent a nonbreakable glass, and then you won't have to bother when the small boy throws stones. But until that glad day arrives we are in the business of furnishing glass. We cut to measure. Putty, of course. A lot of other things break besides glass. That's why we carry tools to mend with and nails and glue and what not to repair with. A good, reliable store.
